December, 2011

Dear Parents,

Good afternoon! We are pleased to announce that all of our students will benefit from a bully-proofing program offered at Bridgetown Middle School. The program sessions are led by Mr. McDuffie Strickland. Mr. Strickland brings 36 years of experience in working with youth and has shared his presentations both locally and internationally. This program—offered in a series of grade level assemblies—begins at the end of December and finishes at the end of May. An outline of the program is included on the back of this letter.

Along with the time he will spend with our students, he is offering a session for our teachers on January 17, 2012 during our in-service meeting and for our parents on Thursday, January 26, 2012 at 7 PM in the Multi-Purpose Room. In these sessions, he will not only provide an overview of our school's bully-proofing program but also share specific ways in which you can support your child's development of the skills which this program offers.

Please feel free to call me should you have any questions.

Sincerely,

Tim Cybulski  
Principal
